HURON  **RIDGE**

2019

The Pinnacle of Cottage Living

General Coach Canada started as a small custom manufacturer in Hensall, Ontario and we will never forget our roots. We dream big, *then go bigger*.

At our core, General Coach is family owned and operated, bringing our family values and personal promise to work every day. Whether you are looking at our affordable **FRONTIER** series or our industry leading contemporary **BLACK DIAMOND EDITION**, our emphasis on quality materials and value can be seen in everything we produce.

We don't reflect the industry, **we define it.**

With 68 years of experience, General Coach has manufactured all types of recreational vehicles ranging from motor homes to truck campers and everything in between. What does this mean to you, the customer? It means, you have an experienced team designing and building your dream Park Model Cottage!

2019

General Coach Canada has branched out into other unique products. General Coach Canada produces the very best rental cabin in the industry, they produce theatrical units for the film industry in Great Britain and Canada, commercial offices and bathroom units, mobile homes and manufactured houses are customized and delivered to developments across the country. They produce heavy-duty travel trailers, which are designed for oil patch accommodation in Northern climates.

The philosophy is simple: *"You have to find a room where there are not a lot of people and you must have unique products. It is a lot easier to survive in business if the room is not crowded". This is a vital ingredient for success but even greater if you are a Canadian manufacturer."*

Our mission is to provide the very best products produced in Canada with attention to detail and emphasis on quality materials and workmanship. We stand by the durability, style and quality of our portable solutions and continue to look for innovative ways to redefine our industry.

General Coach Canada Warranty

1-year product warranty, factory to consumer via dealer.

5-year limited warranty for components and performance relating to structural integrity, weather penetration, electrical distribution system, plumbing and heating delivery systems, window and door performance.

All Park Models manufactured by General Coach Canada are constructed in compliance with the strict standards of the C.S.A. -Z241 Park Model Standard.

The manufacturer reserves the right to improve or modify the product, without notice or obligation, which may change materials, equipment, specifications or designs.
